WORK EXPERIENCE

Teaching Assistant , Coding Ninjas (Remote) (Dec 2023 - Feb 2024)

- Taught front-end development to students, guiding them in building interactive web projects using HTML, CSS and JavaScript.
- Assisted instructors in lesson planning and provided individualized support to ensure students coding skills growth.

PROJECTS

Portfolio Website - <https://sarthaksahu14.github.io/portfolio-website/>

Developed a professional portfolio website showcasing my skills in HTML, CSS, and JavaScript, demonstrating my ability to design and build a responsive, interactive, and user-friendly interface, highlighting my web development expertise.

Ople Website - [ople-main.vercel.app](https://sarthaksahu14.github.io/obys-agency-clone/)

Developed a responsive and user-friendly website for the client, aimed at supporting teachers in managing their tasks efficiently. Utilized React for a fast, interactive front-end experience, integrated Tailwind CSS for modern styling, and implemented multi-page navigation to enhance usability.

Obys Agency - <https://sarthaksahu14.github.io/obys-agency-clone/>

Developed the Obys Agency website using HTML, CSS, and JavaScript, featuring animations crafted with GSAP, showcasing my skills in creating dynamic, interactive, and responsive web experiences with precise motion control and engaging visual effects.

SKILLS

HTML5 | CSS3 | JAVASCRIPT | MY SQL |
REACT | TAILWIND CSS | GSAP

STRENGTH

- Strong organizational and time-management skills.
- Exceptional communication and interpersonal skills.
- Ability to work independently and as part of a team.
